Wear it longer. Buy it less.

Textile & sewing meetups

Repair, sew and give clothes a new life

The starter kit for your group

Make more of clothes together

Mend favourite garments, practise sewing and turn old clothes into something new. Beginners and experienced makers share skills. Start at home with friends; one small idea is enough for your first meetup.

Your group on 11000L

Create a free group page at 11000l.com/en/auth?mode=signup. Plan the date, start and end time, address and participant limit. Share your group link and manage sign-ups. If you cancel, 11000L emails your reason to registered participants; their email addresses remain hidden from you.

Printing tip: the checklist and poster are ink-conscious. Print only the pages you need.

Prepare your first meetup

01 Bring people together

Invite friends and neighbours. Beginners and experienced makers are welcome.

02 Choose a project

Patch a hole, sew a hem or turn an old shirt into a bag. Pick a project that suits your skills.

03 Start at home

A table, good light and room to work are enough to begin. A sewing machine is optional.

04 Plan online

Create your group on 11000L and add the time, address and participant limit.

05 Invite and share

Share your group link in local chats or use the poster. People sign up through your group page.

06 Make together

Show your projects, help each other and plan the next meetup. Take photos only with permission.

Tools & materials

- ☐ Needles, thread and spare buttons
- ☐ Fabric scissors, thread snips and seam ripper
- ☐ Pins, pincushion and safety pins
- ☐ Measuring tape, fabric chalk and fabric scraps
- ☐ Clean old clothes for repair or upcycling
- ☐ Optional: sewing machine and iron
- ☐ Drinks, pens and enough workspace

Keep the group going

- Alternate between repair, sewing and upcycling.
- Share skills and choose beginner-friendly projects.
- Publish new meetups on your group page.
- Plan breaks and use tools safely.

TEXTILE & SEWING MEETUP

Repair, sew and give clothes a new life

Bring a garment or an idea. We repair, sew and make together.
